

## 2nd ANNUAL HYDRO-AIR KIDS CAMPAIGN

*Warming the World ... One Kid at a Time*

DECEMBER 2004

Hydro-Air Components, Inc. Kid's Campaign to benefit over 2200 local children!!

Hydro-Air Components Inc. announced today it's second annual Kid's Campaign for charity. A heating and cooling manufacturer headquartered in Hamburg, NY, Hydro-Air hopes to warm the hearts of many of the areas neediest children this winter. The company has purchased and will be distributing over 22,000 articles of new pajamas, socks and underwear just in time to benefit thousands of WNY youngsters this holiday season.

20 local charities have been identified and will be assisting with the distribution to the children most in need. Included are: Bethel Head Start, Buffalo Fed. Of Neighborhood Centers, Cantalician Center For Learning, Community Action Information Center, Compass House, Cornerstone Manor, DeSales Catholic School, Dulski Community Center, Gateway Longview, Home Space, International League of Muslim Women, Inc., Journey's End Resettlement Services, Loaves & Fishes, Native American Community Service, Seneca Babcock Community Center, Shining Light Apos. Min., SS Rita & Patrick Parish, Upper Room Food Pantry, Valley Community Association, West Seneca Community Food Cupboard.

Hydro-Air has traditionally supported the community through contributions to the local food pantries at Thanksgiving, gifts to shelters for the homeless women and children and through their annual "Walter Zurowski" memorial golf outing to benefit Parkinson's disease research. The "Kids Campaign" is the company's second annual event and is specifically designed for children. The company plans to continue the "Kids Campaign" annually and hopes to get other businesses involved in this effort.

For more information on helping in the future, businesses can contact Hydro-Air Components at (716) 648-3801.
