

DUE TO RECENT EXPANSION IN 2004, WNY MANUFACTURER PLANS A JOB FAIR TO RECRUIT OVER 50 NEW EMPLOYEES...

Hydro-Air Components, Inc, a heating and cooling manufacturer headquartered in Hamburg, NY announced today a need for over 50 new manufacturing employees to join its growing company. In March 2004 Hydro-Air opened a 2nd manufacturing facility to accommodate the company's diversification into commercial cooling products and high-end residential heating equipment. This expansion requires additional personnel on all shifts in skilled and unskilled, regular and seasonal positions. Interested candidates are invited to attend an on-site JOB FAIR hosted by the company at its corporate headquarters:

Location: 4950 Camp Rd. Hamburg, NY

Dates: **July 7, 8, 9**

Time: 9:30 AM
